**January Events at the Denair Library**

The Denair Library will offer craft programs for all ages this January, as well as a STEAM (Science, Technology, Engineering, Arts, and Mathematics) activity for children.

“Get Crafty: Felt Drink-Sleeves” will be held on Thursday, January 14 from 1 to 4 p.m. Participants will use felt and other provided craft materials to make reusable drink cozies.

Students in grades 4 through 8 are invited to the library’s monthly STEAM Challenge on Thursday, Jan. 21 at 4 p.m. This month’s challenge will focus on science and art. Participants will conduct foam science experiments and create foam art paintings. This program is sponsored by the Friends of the Denair Library.

Teens and tweens can “Create with Perler Beads” on Thursday, Jan. 28 at 3 p.m. Participants will make unique designs using small, colorful beads. When heat is applied, the Perler beads fuse together, preserving the crafter's design.

The Denair Library is located at 4801 Kersey Road in Denair. For more information, please contact the Denair Library at (209) 634-1283.
