June Events at the Denair Library

This June, the Denair Library will offer a chocolate tasting program for adults as well as several craft programs for children and teens.

Children and teens can visit the library to make a special superhero paper puppet on June 9 at 3 p.m. The finished product will be able to do jumping jacks when its string is pulled.

Adults can take part in a chocolate tasting on June 13 at 12 p.m. Participants will have the opportunity to learn about the varying characteristics of chocolate by sampling different chocolates.

A "Window Clings" craft will take place on June 23 at 3 p.m. Tweens and teens will learn how to make decorative, repositionable stickers for their windows. The completed craft may be taken home and safely used on window surfaces, as these stickers do not leave a residue.

Children can learn how to make negative space star paintings on June 24 at 3 p.m. The library will provide craft materials, including stencils and paint, to make this unique craft. As this is craft can be messy, participants are encouraged to dress accordingly.

Teens and tweens can make pendants and key chains out of Shrinky Dinks at the library on June 30 at 3 p.m. Participants will draw or trace an image on the provided Shrinky Dink sheet. Crafters can watch as library staff bake the shrinky dinks, shrinking them into hard plastic.

The Denair Library is located at 4801 Kersey Road in Denair. For more information, please contact the Denair Library at (209) 634-1283.
