Glow-in-the-dark fun at the Newman Library

Children and teens can enjoy a twist on traditional DIY slime this October

Children and teens at the Newman Library can learn to make glow-in-the-dark slime on Tuesday, Oct. 30 from 3:30 to 4:30 p.m. The slime will be made using glow-in-the-dark glue, water, liquid starch, and glitter.

This unique take on slime was inspired by the Halloween season. Participants can take home their slime to enjoy, just in time for the trick-or-treating holiday.

“Glow-in-the-dark slime is a fun, non-spooky way to get kids in the mood for Halloween,” said Sophia Petrakis, Newman Library supervisor. “The kids will have a blast with this activity because they get to make an ooey goey mess, and parents will enjoy this because they don’t have to pick up after the mess!”

Advance registration is required. Participants may sign up beginning Oct. 1 by visiting or contacting the Newman Library at 209-862-2010.

The Newman Library is located at 1305 Kern St. For more information about Newman Library programs, please contact Sophia Petrakis at 209-862-2010. Information on regularly occurring library programs can be found at www.stanislauslibrary.org, under the “Events and Classes” tab.

About the Stanislaus County Library
