### October Events at the Oakdale Library

The Oakdale Library will offer free crafts and activities for all ages this month, beginning with the October Guessing Jar program. Throughout the month, the library will display three autumn-themed guessing jars for kids, teens, and adults. Participants are encouraged to guess the number of items in the jar for their respective age group. Participants with the closest guess will win books and sweets.

Children and their families are invited to build and create with LEGOs on Thursdays, Oct. 8 and 22 at 3:30 p.m. Finished LEGO creations will be displayed at the library. Children under the age of 4 are welcome to participate, however they must have direct parental supervision at all times. This program is sponsored by the Rotary Club of Oakdale.

On Tuesday, Oct. 13 at 6 p.m., attorney Julie Richardson will review the basics of estate planning. Richardson will cover the documents needed in estate planning, as well as other important issues to consider.

Teens and adults are invited to make Movable Mummies on Wednesday, Oct. 14 at 3:30 p.m. Crafters will make mummies out of rubber coated flexible wire and strips of muslin.

"Wee Move and Play" will take place on Monday, Oct. 19 at 11 a.m. This program features an hour of music, movement, and sensory play for toddlers and preschoolers. Participants will enjoy unstructured play time that promotes creativity, fine motor development, and collaboration.
