February 2009

In 2008 Hughson Friends of the Library:

- ★ Supplied entertainment, refreshments, books, and gift bag items for Dr. Seuss Night in March
- ★ Read to each class at Hughson Elementary and Fox Road Schools to promote knowledge of library services and increase the love of reading and literature.
- ★ Provided funds for additional needed library resources and supplies.
- ★ Maintained a supply of young children's books at the local medical clinic in both English and Spanish, replaced the books as needed
- ★ Collected used books at the library and sold them at the May Fruit and Nut festival, and at the opening of the 3rd Street Cafe and raised over \$500.00 dollars to support library programs and services.
- ★ Supported our library's participation in *Read for the Record*, the national program in which the same book is read to children all over the nation. We provided readers and supported organization and delivery for our library and the elementary school.
- ★ Provided books for children delivered from the Samaritan lunch truck.
- ★ Provided supplies needed for our library.
- ★ Purchased a brick for the Hughson Elementary School to support their library.
- ★ Sponsored a Brunch with entertainment by *Kids Works* for members and their families.

Your membership and the used books collected at the library are our only sources of funding for the *Friends of the Hughson Library*. We are looking for alternate venues for fund raising due to the closing of the Fruit and Nut Festival. Your support is needed to enable us to continue our contributions to the schools and community, promoting education and culture for everyone.
