June Events at the Hughson Library

The Hughson Library will offer a variety of programs for children and their families this month, beginning with "Around the World" programs, inspired by this year's Summer Reading Challenge theme of "Reading Takes You Everywhere." The first program will feature the continent of Africa on Wednesday, June 6 from 2 to 4 p.m. Each child will have an opportunity to make a tissue paper safari, giraffe handprints, and rain sticks. Participants can also play traditional African games and try on real Ghanaian clothing. On Wednesday, June 13 from 2 to 4 p.m. children will learn about the continent of Antarctica by making arctic themed crafts, playing an arctic animal matching game, and searching the library for missing icebergs. Children will learn about Asian cultures on Wednesday, June 20 from 2 to 4 p.m. The program will feature Asian inspired crafts, including origami, and traditional children's games from the continent. On Wednesday, June 27 from 2 to 4 p.m., children will explore Australian history and culture through crafts and activities. The program will include crafts such as aboriginal dot art, cardboard boomerangs, frill neck lizards, and paper cup kangaroos. Participants will have an opportunity to play "find the animal on the map" and much more. These programs are sponsored by the Friends of the Hughson Library.

Preschool Story Time will be held on Thursdays at 10:30 a.m. Story Times feature new and classic picture books, flannel board and puppet stories, fingerplays, music and dancing, for preschoolers ages 3 to 5 and their caregivers, however all ages are welcome.

Children and their families can enjoy a free magic show on Thursday, June 7 at 1 p.m. Magician Magic Dan's show will encourage children to embrace reading and to feel good about themselves.
