LEGO Club at the Ceres Library

Children will have the opportunity to make their own unique creations during LEGO Club at the Ceres Library on Thursdays, Sept. 12 and 26 at 3 p.m. During this program, children can use the library's LEGOs to create their own designs that will be displayed in the library. This program is for ages 4 through 12 and provides an excellent opportunity for children to learn how to solve problems and develop fine motor skills. Children under four are welcome to participate, but must have direct adult supervision.

For more information, please call the Ceres Library at 537-8938.
