January Events at the Ceres Library

This January, the Ceres Library will offer free crafts and activities for children and teens, and a book club program for adults.

Wee Move and Play will take place on Wednesdays, Jan. 3 & 17 at 11:30 a.m. This program features unstructured playtime for toddlers and preschoolers, during which they can enjoy movement and sensory play.

Children and teens can learn how to write a "secret code" on Thursday, Jan. 4 at 3:30 p.m. Participants will discover how to share secret messages with friends by creating Caesar cipher disks.

The library will host a LEGO® Day on Thursday, Jan. 11 at 3:30 p.m. Children will have the opportunity to build LEGO® creations that will then be displayed in the library. Children 4 and under are welcome to participate, however, they must have direct parental supervision. LEGO® Day is sponsored by the Friends of the Ceres Library.

Children can take part in a seasonal craft on Thursday, Jan. 18 at 3:30 p.m. Crafters will make snowflakes out of coffee filters.

The Ceres Library Book Club will meet on Wednesday, Jan. 24 at 11:30 a.m. Participants will discuss *Consider This, Señora* by Harriet Doerr.

A perler bead craft program will be held on Thursday, Jan. 25 at 3:30 p.m. Children can create unique designs using colorful perler beads. Staff will then apply heat to the completed designs, fusing the beads together and preserving the designs.

The Ceres Library is located at 2250 Magnolia St. For more information about Ceres Library programs, please contact the Ceres Library Branch Supervisor, Anne-Marie Montgomery, at (209) 537-8938.
