### **July Events at the Ceres Library**

This July, children will have the opportunity to assemble unique creations at the Ceres Library. The month begins with LEGO days on July 10 and 17 at 3 p.m. Using the library's LEGOs, children can design LEGO creations while honing fine motor skills and learning basic engineering concepts. Finished LEGO structures will be displayed in the library for two weeks. Children under the age of four are welcome to participate, but must have direct parental supervision.

At 3 p.m. on July 31, children can make birdfeeders out of pinecones. Finished products may be taken home and displayed. Children can observe as the birds in their neighborhood enjoy the finished craft.

These programs are sponsored by the Friends of the Ceres Library. The Ceres Library is located at 2250 Magnolia Avenue in Ceres. For more information, please contact the Ceres Library at (209) 537-8938.
