September Events at the Ceres Library

Families are invited to enjoy a month of colorful designs at the Ceres Library, beginning with a Perler Bead Craft on September 4 at 3:30 p.m. Children, tweens and teens can use brightly colored beads that fuse together when heated to assemble fun designs. These beads can be used to create keychains, coasters, and more! This program is not recommended for children under 4 years of age as the small beads can pose a choking hazard.

LEGOs take over the library on September 11, 18 and 25. At 3:30 p.m. LEGO lovers of all ages are invited to build colorful structures that will be placed on display in the library for one week. Children under the age of four are welcome to participate with direct parental supervision.

These programs are sponsored by the Friends of the Ceres Library. The Ceres Library is located at 2250 Magnolia Avenue in Ceres. For more information, please contact the Ceres Library at (209) 537-8938.
