Autumn activities to take place at the Denair Library

Parents looking for free seasonal activities to do with their children should visit the Denair Library this October. Programs include autumn and Halloween-themed crafts, as well as a special scavenger hunt at the end of the month.

On Thursday, Oct. 4 at 4 p.m., children can craft baby monsters. The furry friends will be made using pipe cleaners, yarn, and assorted craft materials.

To celebrate the leaves changing colors, children can make all seasons trees on Thursday, Oct. 18 at 4 p.m. The trees will be crafted from paper bags and paper leaves.

Children can make an edible Halloween craft on Thursday, Oct. 25 at 4 p.m. Participants will use lollipops and fabric to create lollipop ghosts.

Children and teens can take part in a Halloween Scavenger Hunt on Wednesday, Oct. 31 from 12 to 6 p.m. Participants who find all the Halloween clues in the library will receive candy and toy prizes.

“We hope to make this fall season a little more fun for families as kids learn why this time of year is so special,” said Paden Hardy, Denair Library supervisor. “The Halloween season in particular is about the imagination, and we are excited to share crafts and activities with our community that promote imaginative creativity.”

The Denair Library is located at 4801 Kersey Road. For more information, please contact Paden Hardy at 209-634-1283. Information about regularly occurring library programs can be found at www.stanislauslibrary.org, under the “Events and Classes” tab.

About the Stanislaus County Library

The Stanislaus County Library engages all members of the community and offers access to information, knowledge, and the tools for innovation and personal development.
