### June Events at the Denair Library

The Denair Library will offer a number of free programs this month, beginning with the Beat the Heat coloring program on Tuesdays from 12 to 6 p.m. The library will provide coloring pages and coloring implements.

Children can enjoy making Puzzle Picture Frames on Wednesday, June 8 from 12 to 5 p.m. Crafters will decorate craft stick pictures frames with a variety of puzzle pieces.

On Thursday, June 9 at 3 p.m. children and teens can take part in a Duct Tape Craft. The library will provide a variety of duct tapes for crafters to use in creating a number of designs.

Randel McGee and his puppet, Groark, will visit the library on Wednesday, June 15 at 1 p.m. Families are invited to enjoy the comedic antics of Groark the dragon during this free show.

The library will host a Magnet Craft for teens on Thursday, June 16 at 3 p.m. Participants will make magnets out of flat glass marbles and bottle caps.

Children can make glow worm bracelets on Wednesday, June 22, from 12 to 5 p.m. Crafters will use glow sticks and craft foam to make decorative bracelets.

The library's monthly STEAM Challenge will take place on Thursday, June 23 at 3 p.m. This month's challenge will focus on science and art. Children and teens will learn about ultraviolet (UV) radiation while creating a UV ray detecting bracelet.

Children are invited to a painting program on Wednesday, June 29 from 12 to 5 p.m. Participants can visit the library during this time to recreate the night sky using resist painting techniques.

A Perler beads program will be held on Thursday, June 30 at 3 p.m. Participants will have the opportunity to create unique designs using colorful beads. When heat is applied, the beads fuse together, preserving each design.

The Denair Library is located at 4801 Kersey Road in Denair. For more information about programs at the Denair Library, please contact the Denair Library Branch Supervisor, Karina Mendoza, at (209) 634-1283.
