Día de los niños/ Día de los libros celebrations at Stanislaus County Libraries

The Stanislaus County Library will celebrate Día de los niños/ Día de los libros, or Day of the Child/Day of the Book this spring. Día is a national celebration that emphasizes the importance of literacy for every child, regardless of linguistic or cultural background.

The Stanislaus County Library began celebrating Día in 2006 with a Dinner Theater program at the Modesto Library. The program has grown to become a multicultural event featuring a Story Time, crafts, activities, performers, book giveaways and informational booths. This year's theme is "Wild About Books." Each branch will host a bilingual Story Time, crafts and activities. In addition, each child will receive a free book while supplies last, courtesy of the Friends of the Library.
