FOR IMMEDIATE RELEASE:

Día de los niños/ Día de los libros celebrations at Stanislaus County Libraries

This spring marks the Stanislaus County Library's 10th year of celebrating Día de los niños/ Día de los libros, or Day of the Child/Day of the Book. Día is a national celebration, held annually in the spring, which emphasizes the importance of literacy for every child, regardless of linguistic or cultural background.

The Stanislaus County Library began celebrating Día in 2006 with a Dinner Theater program at the Modesto Library. The program has grown to become a multicultural event featuring programs such as Story Time, crafts, activities, performers, book giveaways and informational booths. This year, each library will feature a Story Time program and STEAM activity. (Science, Technology, Engineering, Art, and Math) In addition, each child will receive a commemorative activity book and a free new book, through the Stanislaus READS! Initiative.
