## **Children encouraged to utilize design skills at Empire Library**

*Local library to offer programs fostering creativity, from designing structures to wearable pieces of art*

The Empire Library will host programs designed to give children an opportunity to use their skills to develop creative designs this month.

On Thursday, Nov. 8 at 3:30 p.m. children can take part in the paper building blocks program. Participants will assemble blocks using colorful paper. The paper blocks will then be used to design and build towers.

The library's monthly Build It! Program will be held on Tuesday, Nov. 27 at 3:30 p.m. Children can design masterpieces using foam blocks, magnetic tiles, and other assorted building materials.

Children interested in jewelry design will enjoy the bracelet making activity on Thursday, Nov. 29 at 3:30 p.m. Crafters can create beautiful bracelets using colorful beads and string.

"It's amazing to see the variety of designs children create when given minimal instructions and the freedom to use their imaginations," said Diane Ramirez, Empire Library supervisor. "The children take pride in their unique designs while learning the importance of scale, balance and use of color"

The Empire Library is located at 18 South Abbie. For more information, please contact Diane Ramirez at 209-524-5505. Information about regularly occurring library programs can be found at [www.stanislauslibrary.org](http://www.stanislauslibrary.org), under the "Events and Classes" tab.

### **About the Stanislaus County Library**

The Stanislaus County Library engages all members of the community and offers access to information, knowledge, and the tools for innovation and personal development. With 13 locations throughout the county, the Library offers free access to a diverse collection of materials, computer access and Wi-Fi, Story Times, programming for all ages, and more. To learn more about the Library's wide array of programs and services, visit [www.stanislauslibrary.org](http://www.stanislauslibrary.org).
