Denair Library to offer Halloween-themed programs throughout October

Children at the Denair Library can enjoy a month of Halloween-themed programs this October. From a scavenger hunt to lollipop ghosts, the library will provide a number of free events to help children get excited for the season.

The Halloween season at the library will kick off with a themed scavenger hunt on Thursday, Oct. 10 at 4 p.m. Children will have an opportunity to win treats and toy prizes.

The library will then offer a series of craft days in which children can create their own unique Halloween decorations and treats, beginning with a spider paper plate craft on Thursday Oct. 17 at 4 p.m. Children will make spooky spiders out of paper plates, and add googly eyes and pipe cleaners. On Thursday, Oct. 24 at 4 p.m. crafters can make chalk stenciled pumpkins using black paper and orange chalk. The month will conclude with a lollipop ghosts craft on Thursday, Oct. 31 at 4 p.m.

“We thought our regular group of crafters in Denair would enjoy Halloween-themed activities,” said Paden Hardy, Denair Library supervisor. “With the many options available for Halloween crafts, we had a lot of cool projects to choose from to share with families in the community.”

The Denair Library is located at 4801 Kersey Road. For more information, please contact Paden Hardy at 209-634-1283.

Information about regularly occurring library programs can be found at www.stanislauslibrary.org, under the “Events and Classes” tab.
