March Events at the Keyes Library

If you are looking for a wide variety of spring activities and crafts, then the Keyes Library is the place for you. Mark your calendar and be sure to enjoy all that the library has to offer in March!

The Keyes Library kicks off the month with the Leapin' Leprechauns Candy Count, taking place throughout the month of March. Estimate the number of candies in the jar for a chance to win the entire jar of sweets!

For those who enjoy cooking, the Keyes Library will host the "What's Cooking?" Recipe Exchange. Stop by to pick up the recipes of the month. While you're at the library, turn in your favorite recipes for a chance to have your recipe featured in April.

At 3 p.m. on March 13, children can participate in a Johnny Appleseed inspired craft. Participants can make cute apples that will be displayed on the library tree. Children can also learn to make cards using an apple as a stamp. The library will display books on Johnny Appleseed that will be available for checkout.

The library will celebrate St. Patrick's Day on March 17. Visitors who come to the library and say "Leapin' Leprechauns! I love my library!" will receive a treat, while supplies last.

Tweens and teens will enjoy the keychain craft on March 19 at 1 p.m. These unique keychains will be made using Perler Beads. This craft is recommended for ages 13 to 18.

The Keyes Library is located on 4420 Maud Avenue in Keyes. For more information, please call (209) 664-8006.
