Jan. 5 – 10 is Science Week at the Modesto Library! Visitors to the Modesto Library Children's Room will find science-related crafts and activities all week long. The week will include a "find the Mad Scientist" contest, in which children will be entered into a prize drawing once they find the hidden scientist. The week will conclude with a science-themed movie on Saturday, Jan. 10 at 1 p.m. in the Story Hour Room.

Tweens and teens are invited to create Perler Bead art on Jan. 12 at 3:30 p.m. Crafters can make key chains, coasters, and other fun and geeky 8-bit art. This craft is recommended for ages 8 and up.

Children, tweens and teens can build LEGO displays for the library on Jan. 14, 21 and 28 at 3:30 p.m. Children under the age of four are welcome to participate, however they must have direct parental supervision.
