September events at the Newman Library

The Newman Library will offer several free programs this September that promote the use of creativity and teamwork.

Teens and adults are invited to the Kumihimo Braiding program on September 9 at 6 p.m. Participants will learn how to use this weaving technique to make key chains.

Children can build and play with the library's LEGOs on September 11 at 3:30 p.m. LEGO play is an opportunity for children to practice fine motor skills and learn basic math and engineering concepts through play. This free program is sponsored by the Friends of the Newman Library.

Spend quality time together at Family Game Night on September 16 at 4:30 p.m. Families can choose from the library's collection of board and card games. Game Nights promote sharing, teamwork, and problem solving skills in an engaging environment. This event is sponsored by the Friends of the Newman Library.

Craft your own Wind Sock on September 20 at 1:30 p.m. The library will provide materials to help children assemble and personalize a wind sock to use at home. This fun craft encourages self expression, sharing, and coordination.

The Newman Library is located at 1305 Kern Street in Newman. For more information, please call (209) 862-2010.
