### **Button Making Craft at the Turlock Library**

Teens can participate in a button making craft at the Turlock Library on Monday, June 17 at 3 p.m. During this craft, teens age 13 through 18 can make unique buttons to pin on their bags or backpacks. Participating in this program provides teens with the opportunity to interact with their peers, be creative with crafts, and learn about the wonderful programs the Stanislaus County Library offers.

For more information, please call the Turlock Library at 664-8100 or visit the library's information desk.
