Read! Build! Play! Toddler Story Time at the Modesto Library

Participate in the Read! Build! Play! Toddler Story Time at the Modesto Library on Thursday, July 11 at 10:15 a.m. This special program is designed to combine reading, building, and play to help young children develop their early literacy skills. By adding the elements of building and play to Story Time, a child's level of engagement, creativity, imagination, and dexterity is heightened.

As space for this program is limited, advance registration is required and begins on July 1. For more information or to register, please call the Modesto Library Children's Department at 558-7810.
