**FOR IMMEDIATE RELEASE:**

**County Officials to Reveal Turlock Library Expansion Plans**

On Thursday, August 17, 6:30 to 7:30 p.m. the public is invited to attend a meeting hosted by county officials and Friends of the Turlock Library to hear updated plans for a larger public library in Turlock. Officials will offer results of a community visioning discussion, held in March, which centered on the Turlock Library. The August meeting will preview the project timeline and next steps. The meeting will be held at the Turlock Senior Center at 1191 Cahill St.

"The evolution of the Turlock Library from a well-loved but cramped space to a more spacious, functional and attractive center of the community is a project we are all excited about," said County Library Director Diane McDonnell.

The current Turlock Library was built in 1968, for an anticipated population of 30,000. The city's population is now more than 72,000. The current library facility has no dedicated meeting rooms or space for library programming, such as Children's Story Times and other informational presentations.

Participants are asked to RSVP no later than August 14 by calling the Library Administration Office at 209-558-7801 or emailing [pboardrow@stanlibrary.org](mailto:pboardrow@stanlibrary.org).
