Turlock Library expansion meeting set

The public is invited to attend a meeting with county officials and Friends of the Turlock Library to hear updated plans for the Turlock Library expansion project. The meeting will be held on Thursday, Aug. 8 at 6:30 p.m. at the Turlock Senior Center, located at 1191 Cahill Street.

County Library Director Diane McDonnell said, “A community vision has transformed into a design that captures the essential services and resources, all within an inspiring space that will meet the informational needs of residents now and into the future.”

County officials will report on progress of the Turlock Library expansion, and present conceptual plans and renderings designed by WRNS Studio Architects.

The current Turlock Library was built in 1968, for an anticipated population of 30,000. The city’s population is now more than 72,000. The current library facility has no dedicated meeting rooms or space for library programming, such as children’s Story Times and informational presentations for consumers.

Participants are asked to RSVP by calling the Library Administration Office at 209-558-7801 or emailing pboardrow@stanlibrary.org.
